Being vaccinated helps me to:

Stay protected and avoid risk of COVID-19 infection

Stay alive and protect my family and friends

Stay healthy and provide quality care to my clients

I think you should get vaccinated for **COVID-19** too!

Your clients trust you to give
the best advice for their health.

For more information about the
COVID-19 vaccine, call the hotline

7722

For updates on COVID testing
and prevention, call
